Thurs, March 27	Early Dismissal for Students Student-led Conferences (1:00-3:00pm) No Healthy Kids After School Program
Fri, March 28	Healthy Kids After School Program (Gathering room; 3-5pm)

Principal's Page - Maguire's Message

Hello CCS Community!

What an absolutely *magical* weekend we had! Our opening night of *The Little Mermaid Jr.* on Friday was nothing short of spectacular! Huge congratulations to our amazing directors—Danielle Krueger, Kristi Pramuka, Alicia Simonetti-Shpur, and Susana Martinez-Bauer—whose talent, hard work, and dedication truly made the show shine. The success of this performance would not have been possible without their unwavering commitment to our students and the production. We are so lucky to have them guiding our students!

And to our students—WOW! Friday night and Saturday afternoon's performances were simply *wow-worthy*. The incredible talent and effort that each performer put in from day one paid off in the most spectacular way! Every moment on stage was a testament to their hard work and passion since November. A special shout-out to our eighth-grade performers—Mya Weed, Austin Ward, and Donald Polk—who performed in their final show at Cornwall Consolidated School. You all made us so proud, and while it was bittersweet to see you go, your performances will be remembered with great fondness. You are all stars!

Looking ahead, we are gearing up for Student-Led Conferences this week! We're so close to 100% participation—thank you to everyone who has signed up already. If you haven't had a chance yet, please make sure to sign up or reach out to Patty Rovezzi in the main office if you need assistance. We can't wait to see you there and showcase all the hard work your student has put into their learning!

In addition, we are thrilled to offer sibling care in the Gathering Room with Tricia Collins during the conferences. This will allow you to focus fully on your individual student's conference. A huge thank you to Tricia for making this possible!

We're excited for a fantastic week ahead and can't wait to see you at the conferences!

Best always, Leanne

Be on the lookout for information this week!

The Importance of

Student-Led Conferences

Student Ownership

Students take on an active role in their learning, helping to foster a sense of responsibility for their own progress.

Authentic Reflection

Students are encouraged to reflect on their strengths, challenges, and goals, promoting self-awareness and critical thinking.

Empowerment

Students are empowered by giving them a voice in discussing their achievements and areas for growth.

Communication Skills

Students build confidence and improve their communication skills by explaining their work and goals to parents and teachers.

Fostering Goal Setting

Students are encouraged to set personal goals and track their progress, which helps them stay motivated.

Engagement

Students increase their engagement in the conference process as they are the ones leading the discussion.

We look forward to seeing you at Student-Led Conferences on Wednesday, March 26th & Thursday, March 27th!

Student Led Conference Information

It's time to schedule a day & time for YOU AND YOUR CHILD to meet with your child's teacher for a 20 min conference! We will be holding conferences on Wed 3/26 & Thurs 3/27. Information will be shared this week with you on how to sign up for a conference online. Wednesday will have time slots between 1:30-7:00 PM and Thursday will have times from 1:30-3:00.

Why student led conferences? As part of our continuing effort to engage even our youngest students as partners in planning, reflecting on, and celebrating learning, CCS will hold student led conferences. **We ask that you and your child attend the conference together.** Your child will share some information about their learning and the teacher will do so as well.

This is an opportunity for your child to be responsible and accountable for their own learning. Your child may share work samples, speak about the learning they have done this year, and/or reflect on their progress. Learn from your child all the amazing things they are doing in school and what they hope to achieve this next term!

We are shooting for 100% participation from families so please help us reach that goal! As always, thank you for your support!

Student-led Conferences Sign Up

CCS Student-led Conference Information

It's time to schedule a day & time for **YOU AND YOUR CHILD** (please see next slide which explains the student involved conference format) to meet with your child's teacher for a 20 min conference! We will be holding conferences at CCS on Wed 3/26 & Thurs 3/27. You will be able to sign up for a conference online by following the directions below:

To schedule a time for your conference please:

1. Go to www.myconferencetime.com/ccscoyotes/
2. Click on the name of your child's teacher (Middle School parents should sign up with teacher assigned to them ONLY by the middle school team. This will come home in their agenda tomorrow!
3. Select the desired date/time by clicking on "Sign Up"
4. Submit the requested information. The date & time are now reserved for you. You'll receive email confirmation of your conference. You will also receive a reminder email as well.

There are videos on the site to assist you in signing up if needed.

If you have several children at CCS, click on "Register Multiple Conferences" and follow the prompts to schedule your children for several conferences.

If you are unable to sign up for a time and date online, please contact Patty Rovezzi and she will be able to assist you.

We get to adopt a Harp Seal! Thank you, NYMRC!

Hello, everyone!

Exciting news! Thanks to our partnership with the New York Marine Rescue Center for this year's Walk-a-thon, we have been given a Harp seal to adopt! We will get to see his release in early April via a school-wide Live Stream! Another cool thing is that we get to name our seal - the naming theme is "fruits and veggies"! I can't wait to see what we choose! Please take a look at the name options and select your favorite 5! We will have a second round of voting once we narrow these 15 name choices down! Enjoy the fun!

[Click here to help name our seal: Adopting our Seal!](#)

Here is a little background about our very own pup: On the evening of February 14th, 2025, NYMRC received a call to their 24-hour standing hotline regarding a pup at Jones Beach in Suffolk County. A team of NYMRC biologists responded to the seal and a male, Harp seal pup was seen on the beach eating sand and appeared dehydrated. He was transported back to the NYMRC hospital facility for a complete physical. Upon completing the physical, he was confirmed to be underweight, dehydrated, and had a heavy parasite load.

During the time of his rehabilitation, biologists offered enrichment daily and kept him happy, engaged and not bored! The average stay for each animal is about six-eight weeks. Our donation from the Walk-a-thon helped to defray the cost of food, medication and treatment expenses. We are so excited that our Harp Seal will be able to return to his natural habitat at the start of April. It's going to be such a celebration and wonderful moment to witness as a school community!

As I have more information, I will share! Extra thanks to Wendy McFarlane, who connected our school with the NYMRC and who volunteers her time there! Please enjoy our certificate from the NYMRC and some pictures and a video of our Harp Seal (can't wait to find out what his name will be)!

With excitement,
Leanne

After School Program

AWARD WINNING PROVIDER OFFERING CARE FOR 16 YEARS WITH OVER 100 LOCATIONS THROUGHOUT THE COUNTRY AND GROWING!!

HEALTHY KIDS PROGRAMS @ CORNWALL CONSOLIDATED SCHOOL

For over 16 years, Healthy Kids Programs has been providing Before and After School, Summer Camp and Early Learning Programs with over 100 locations throughout the country.

After School Program

Ages: K-12 years

After School: Pick up as late as 5:00pm

Schools Out Program

Offered during scheduled half days, we give kids a half day packed with awesome activities, new friends, and endless adventures.

Ages: K-12 years

Hours: Dismissal-

Pick up as late as 5:00pm

Dates Available: 12/11, 1/22, 3/12, 5/7

My kids have a blast with this program! Every day when I pick them up, they never want to leave! You have a great program and great staff! Thank you so much!"

Childcare Financial Assistance

We are proud to work hand in hand with the CT Child Care Assistance Program. This program helps eligible families with some or all of the cost of child care.

Visit our website or reach out to our Subsidy Team for more info!

Healthy Kids Information!

HEALTHY KIDS @ CORNWALL CONSOLIDATED

We're part of the "village" that helps the **Cornwall** community's kids shine, grow, and thrive! Along the way, we're all about making a positive impact and a lasting difference—not just for your kids, but for your family, the amazing school staff, and the whole community.

AFTER SCHOOL PROGRAM

Ages: K - 12 years
Pick up as late as: 5:00 PM

Our After School Program is designed to support our vibrant community by providing much-needed childcare solutions. In response to the growing demand, our program offers a safe, nurturing environment where children can learn, play, and thrive beyond school hours.

BALANCING PROFITS & PURPOSE

At Healthy Kids, we are passionate about doing what's right for our children, our families, our employees, and our communities. We support families from all different backgrounds with reliable, affordable, and accessible programming. We strive to make a lasting impact on each of our kid's lives. We are reinventing childcare positions for our employees with benefits and career paths. We partner with school districts in a variety of ways to meet the needs of their families and build communities...not just profits.

TUITION ASSISTANCE

We are pleased to announce that we accept tuition assistance, ensuring we can better meet the diverse needs of families in our community. Learn more on the back!

Healthy Kids Tuition Information!

TUITION ASSISTANCE

Connecticut families are now eligible to access reduced childcare costs through the Care 4 Kids program. This program helps eligible families to pay for child care so parents can work, go to school, or participate in a job training program. The program is a partnership between the State of Connecticut, the families in the program, and the providers who take care of the children.

Think you don't qualify - think again.

HOW TO QUALIFY

To participate in the program, families must reside in CT, be working or attending a temporary family cash assistance (Jobs First) approved education/training activity; GED/high school equivalency, or be enrolled in undergraduate studies (associate's or bachelor's degree); and meet the program's income requirements.

Scan the QR code to see if you may be eligible!

HOW TO APPLY

- 1**  Submit an tuition assistance application online
- 2** Complete the registration process for our program at healthykidsprograms.com
- 3** Once you apply for assistance, submit proof of application to ctsubsidy@healthykidsprograms.com
- 4** Get your child started in our program while you wait for your approval and enjoy no out-of-pocket tuition costs!

No out-of-pocket tuition while you are in the process of applying!

Questions, need support?

MS Regional Sports & Activities

Winter Sports & Activities Completed –
Spring Season begin the week of March 31st

Regional MS Spring Sports Season!

***Please keep in mind when signing up that CCS is charged for your child's participation and to dedicate to participating if signing up* Thank you!**

The Online Registration for the Regional MS Spring Season is open! Please log onto <https://regiononeschools-ct.finalforms.com>. To set up an account (for first time users), please click on the following document:

[How-to-Register-using-FinalForms-English.pdf](#) [How to register using FinalForms Spanish.pdf](#)

Please click on the attached document for information regarding the Spring Season Program Offerings:

[Regional MS Program General Information Document - Spring \(2\).pdf](#)

The Spring Program will begin the week of March 31. There will be a meeting for parents and students regarding the Spring Program on Thursday, March 20 at 6:00.

This meeting is virtual. A link will be sent out to all registered participants.

All students participating in the Spring Season must be academically eligible, have a current physical on file with the home school nurse (athletics only) and not owe any uniforms from a previous season.

Registration will close on March 28.

Please contact Anne MacNeil with any questions.

Opportunities for Students from Hotchkiss School

Hotchkiss' website now includes a [community event page](#) so families can find all community programs there. It is updated as new events are added which is generally weekly. Registration for all programs can be done on the website, too.

Community Opportunities

Arethusa Farm 4-H Camp

A partnership of the
Arethusa Farm Foundation
& Litchfield County 4-H

Litchfield County UConn 4-H is proud to announce their partnership with the Arethusa Farm Foundation to provide local youth **ages 5 to 13** as of January 1, 2025 with a variety of Agriculture Summer Camp experiences during the summer of 2025. A common goal of both organizations is to increase agricultural literacy among local youth so they understand the importance of agriculture, farming, local food and the environment.

Our 2025 Agriculture Summer Camp experience is a state-approved day camp run by professional educators and 4-H youth leaders with support of the Arethusa Farm Foundation sharing their extensive farm property with Litchfield County 4-H for this unique opportunity for learning.

What is 4-H?

UConn 4-H is the youth development program of UConn Extension. As part of the University of Connecticut, 4-H has access to research-based, age-appropriate information needed to help youth reach their full potential. The mission of 4-H is to assist all youth ages 5-18 in acquiring knowledge, developing leadership and life skills while forming mindsets that will enable them to become self-directing, productive and contributing members of their families and communities.

Arethusa Farm Foundation

The Arethusa Farm Foundation is a newly established not-for-profit 501(c)3 entity created to receive from Mr. Anthony Yurgaitis the gift of a portion of the premises of Arethusa Farm which he and his late partner, George Malkemus, previously operated as a high-quality dairy farm. The Foundation's primary goal is to establish an agricultural education center for elementary, middle and high school students, 4-H members and to the wider community as a whole.

Arethusa Farm 4-H Discovery Camps

\$400 for non 4-H members, \$360 for 4-H members

- June 16 to June 20
- June 23 to June 27
- June 30 to July 3 (\$320) *only four days, no camp July 4th, (4-H member discount price \$288)
- July 7 to July 11
- July 14 to July 18
- July 21 to July 25

(NOTE: Discovery camps are the same curriculum each week)

Monday

Environmental Science Day

Campers will explore topics of forestry, wildlife, the science of insects and renewable energy with activities that may include water testing, exploring wildlife natural environments and tree identification.

Tuesday

Plants, Horticulture & Bees Day

Campers will explore topics including plants, horticulture & the science of bees through activities that may include hands-on gardening, watering, harvesting and understanding the production of honey.

Wednesday

Farm Animal Science Day

Campers will learn about dairy science, animal nutrition and farm animals through activities that may include meeting and handling different animals and creating animal crafts.

Thursday

Agricultural Mechanics Day

Campers will learn about safety, tool ID, hands-on skills & machinery overview with activities that may include building birdhouses, project planning and other hands-on activities.

Friday

Veterinary Science & Small Animals Day

Campers will learn about veterinary science tools, cat and dog health, and other small animals through activities that may include dog grooming and handling, vet tool identification and working with rabbits.

Vet Science Camp

(same camp each week)

July 28 to August 1
August 11 to August 15

Do you love animals? If you love animals or think about a career in veterinary medicine. This camp is for you! Hands-on interactions with farm animals and pets, both large and small, create a unique learning experience as students are introduced to the amazing world of animal science. Campers will learn about the skills used in real-world veterinary medicine for a fun, interactive, and educational experience. Cows, goats, sheep, pigs, rabbits, chickens, and horses are just some of the animals that you'll be introduced to, as you learn about anatomy, safe handling during examinations, identifying disease, treatments, and illness prevention. Immerse yourself in a veterinarian's daily rounds, as we cover nutrition, dentistry, and practice emergency response treatments. You can even learn to suture! Discover what a day in a veterinarian's life might entail as professional guest speakers visit our classes to share their experiences, along with the fundamental concepts and current issues in veterinary medicine. Enjoy this incredible enrichment opportunity to increase your knowledge in keeping animals healthy and happy as you explore a possible veterinary career and a life filled with animals!

Note about age range: We will divide students into groups 5-6 year olds, 7-9 year olds and 10-13 year olds for age appropriate curriculum

Farm Camp

(same camp each week)

August 4 to August 8
August 18 to August 22

Would you like to expand your knowledge about farm animals? Plan on getting your hands dirty caring for our farm animals and working around the farm. Learn facts and fiction about the many breeds of animals found in farming operations. But it's not all work and no play! A new discovery is waiting to happen surrounded by baby animals. The lambs, kids, foal, piglets, calf or kits all inspire the learning as we dive into the rhythm of farm life. This hands-on experience helps campers to understand that each animal has unique characteristics, eating habits, health requirements and seasonal needs to keep them safe and happy. Explore poultry power collecting eggs or watch chicks hatch and grow from eggs to legs. Dig a little deeper to cultivate a stronger appreciation for sustainable farming in our educational gardens filled with honeybees and pollinators. Build an understanding of how vital their role is in producing food that feeds us all. Soak up the sun, make new friends, replace screen time with fresh air and get ready for an unforgettable agriculture adventure!

Note about age range: We will divide students into groups 5-6 year olds, 7-9 year olds and 10-13 year olds for age appropriate curriculum

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at <https://www.usda.gov/sites/default/files/documents/USDA-DISC-95%20F-Complaint-Form-05-08-0002-5010-11-20-17%20%20%20.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; or Fax (800) 256-1665 or (202) 696-7442; or email: program.intake@usda.gov

Spring

Technology Use Expectations

TECHNOLOGY USE EXPECTATIONS

WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS USED FOR?

School assignments such as:

- Accessing Google classroom
- Completing class assignments using Google docs/slides
- Accessing websites using links provided by teachers for school assignments (Duolingo, Desmos, Khan Academy, Gale, Britannica, Quaver, Canva, etc.)
- Using your email to communicate with your teachers or classmates related to school assignments

WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS NOT USED FOR?

Personal use such as:

- Watching videos or listening to music on YouTube
- Searching for images/information not related to a school assignment
- Creating Google docs/slides that are not shared with a teacher
- Playing online games
- Using Google docs or email for personal communication unrelated to school

THIS APPLIES BOTH DURING SCHOOL AND OUTSIDE OF SCHOOL

You should be sure to...

- Use your Chromebook appropriately at all times
- Work only on assignments in class when directed by a teacher
- Close tabs you are not currently using
- Not change any settings on your Chromebook
- Report anything you come across online that you feel is unsafe or inappropriate
